The Void of Course Moon happens every few days, lasting for a few hours (or less), to more than a day. These times are clearly marked throughout this calendar (VoC). When the Moon is VoC, this is not the time to begin a new project or magical working, purchase new items or clothing, sign contracts, apply for a job, or make plans. However, this is a time filled with loopholes, and having less distractions.

Imbolc (pronounced Im-bulk), or Candlemas, is when the Sun is at 15° Aquarius, halfway between Winter Solstice and Spring Equinox. This is the Feast of Fire, celebrating the cycles of life and the Sun.

Traditions for this sabbat include candle magick, bonfires, pyromancy, invoking fire element, meditating on your Kundalini, and spells for success, charisma, creativity, confidence, and anything else relating to fire. Traditional foods are crepes and pancakes, anything round and golden-colored.

The magickal workings listed are a combination of:

- Moon phase and sign
- Planetary day of the week
- Condition of planets ruling the working. For example, you might notice a day when Moon is waxing and in Libra, day of Venus (Friday), and wonder why a love working is not listed. This could be because Venus is in detriment sign, or other factors.

			BELTANE'S EVE																	
			MARS 𐄂																	
BARBATOS			PAIMON																	
Beltane (pronounced B'yal-t'n), begins on sundown April 30 and lasts until sundown May 1. Beltane is an ancient celebration of fertility. This sabbat is in honor of our God Enlil (Baal). Telepathic communications with spirits and our Gods are heightened. Traditionally, people would dance around the Maypole (representing the phallus), and couples would jump nude through the bonfire together and engage in all-night sex. Dancing, feasting, and making repairs to one's property are also customary.																				
(Note: some consider Beltane to be when Sun is at 15° Taurus, this will be May 5.)																				

When Mercury goes retrograde, listed in the pages for January, April, May, August, November, and December (lasting for 3 weeks each time), this will negatively affect travel, communications, and electronics. This is not a good time for spells for exams, education, intellect, or knowledge. Signing contracts and leases is to be avoided. However, editing, revising, and research will benefit from the energy of Mercury Rx.

Ingresses and Retrogrades

Saturn will be retrograde from June 29 – November 15. When it retrogrades over a personal planet, or through your 1st house, this can be a very problematic time. Make sure to build your protection and keep your energies raised.

Ingresses and Retrogrades

Summer Solstice, when Sun enters 0° Cancer, is an important Satanic Holiday. The Solar chakra is greatly amplified, and all workings to empower it benefit from the energy.

Solar magick, telepathic communications, fire magick, divination, blessing of tarot cards, gathering herbs, infusing herbs and items with solar energy, healing, and runic work are all favored. Baal fires (bonfires) are traditional.

Lammas Day, or Lughnasadh (pronounced LOO-neh-seh), named for the God Lugh, known to us as Azazel. Lammas Day marked the beginning of the harvest season, and the annular wheat harvest, and included celebrations of athletic contests, feasting, trading, and thanking the Gods, especially Lugh/Azazel, for a bountiful harvest. This was also the date to start an early garden (veggies and herbs that grow in early spring). Ways to honor this holiday are making loaves of bread, cakes, pies, and picking berries. Symbols are grains, gold, grapes, berries.

(Note: Some people believe it to be when the Sun is at 15° Leo, which will be this Aug 7.)

Halloween, or Samhain (pronounced Saw-win). The last harvest festival, storing crops, and preparing for the dead of winter. A time to honor the dead and our ancestors. Endings. Feasting, trick-or-treating, costumes, monsters and ghouls, and images of death are traditional, but NOT anything insulting or blasphemous to Satan and our Demons/Gods. Carving pumpkins, placing out cauldrons, broomsticks, and decorations of ghosts are also traditional.

(Note: Some believe Samhain to be when Sun is at 15° Scorpio, which is Nov. 7)

Ingresses and Retrogrades

Hitler and Himmler began the tradition of making November the month to remember and honor our ancestors, loved ones and friends who have died. Life is sacred for us SS, and the lives of our ancestors are to be honored. Visiting graves, lighting candles, drinking a toast, and displaying any pictures of our friends and family who have died, are sacred and important rites during this month. Beloved pets can also be remembered.

DECEMBER 2024

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
<p>December 23 is Father Satan's personal day, the Highest Satanic Holy Night of the year. This night should be spent in dedication to him, and planning personal resolutions.</p> <div><div></div><div></div></div>						<div><div>1</div><div>☾ ☼ 7:21</div></div>
<p>Yule, or Winter Solstice, typically lasts from the 21 through the 23. Feasting, indulgence, taking pleasure in the physical and material aspects of life, decorating the home, Yule tree and wreaths, gifts, cooking, baking, family celebrations, get-togethers, and Santa Claus for the children. Blue lights honor Satan, as this is His color. The Yule tree is symbolic of the soul, with the trunk representing the spine, the lights representing the chakras and nadis, and the star at the top represents the risen Serpent of Satan. Anything Xian or related to the filthy Nazarene are to be avoided! This holiday honors our true Creator God, Satan!</p>						<div><div>☒ Sports, the outdoors, higher education, accomplishing something big, good luck, gambling, money, law, White magick, AoP</div><div>FURCAS</div></div>
